**Subject:** Casper Star Trib call on Pavillion

Hi all-

Adam Voge, Casper Star Tribune left me a vm at 4pm MST referencing a press conference held today by Wyoming Gov Mead. Reporter referenced Gov's comments about reserving judgment on latest Pavillion results until a formal assessment is done. I have no additional info on the press conference or the Gov's comments beyond what Adam indicated in his vm. Will look for more information.

Adam wanted to offer EPA opportunity to provide a general comment for a story that will run tomorrow. He has a very short deadline of 5 pm MST today.

I think we can afford to miss-- but wanted to pass along in case you all wanted to provide something.

His # is 307 266 0561. adam.voge@trib.com

Thanks.
